COMBINE OR STACK MULTIPLE BOXES TO CREATE MULTI-STORY BESPOKE STRUCTURES

CMA FEST

ModStax made its debut at the 2026 CMA Fest in Nashville, TN with a single floor deployment of 16 modular systems. Outfitted by Salem Sports with furniture and custom branding, the structures were created to accommodate performing artists and other talent, giving them a comfortable check-in and lounge area.

MODSTAX IS OFFERED BY CONCERT STUFF GROUP

Concert Stuff Group is a family of specialized businesses working together to meet the evolving needs of the live entertainment industry. Each company is dedicated to providing exceptional customer service and meticulous attention to detail. Efficient communication within the group enhances production planning, leading to cost efficiencies for clients. CSG's equipment is continuously updated and adapted to align with the requirements of venues and events. From staging, barriers, and flooring to transportation, lighting, audio, and video, we provide the stuff needed to bring events to life.
